

Section 1

I

SUBDIVISION RESTRICTIONS

OF

THE WATERFRONT

The following shall be covenants running with the title to any and all parts of this land for a period of twenty-five (25) years from date of recordation of this map and restrictions:

(1) Lot owners who maintain private driveways onto their respective lots shall install culvert pipe according to state specifications along the street line where such driveways meet the street. No concrete driveways will be allowed without exposed aggregate.

(2) The owner-developer reserves unto itself, its heirs or assigns, the right to erect and maintain telephone and electric light poles, conduits, equipment, sewer, gas and water lines or to grant to others easements of right-of-way, therefore, on, over, or under a strip of land fifteen (15) feet wide at any point along the road right-of-way abutting said lots. The owner-developer will furnish a public water system owned by Bremble Properties, Inc., with hookup fee to lot owners.

(3) No residence shall be constructed within The Waterfront duplicating the design of another residence already constructed or under construction within The Waterfront, nor shall the exterior appearance of a residence be substantially the same as that of another residence already constructed or under construction within The Waterfront.

(4) Except in necessary construction areas and septic fields, no trees four (4) inches caliper or larger, measured 24 inches from the ground, shall be removed from the property without the approval of the owner-developer of The Waterfront, its successors or assigns. In necessary construction areas and septic fields, as many trees as possible shall be left standing.

(5) No building of a temporary nature shall be erected or placed on any of said lots except those customarily erected in connection with building operations and, even in such cases, for a period not to exceed six (6) months. House trailers may not be parked on lots for any purpose or period of time. No trucks, buses, old cars or unsightly vehicles of any type or description or outbuildings may be left or abandoned on said lots.

(6) No residence shall be constructed in The Waterfront until the plans for such residence have been submitted to, approved and signed by The Waterfront Architectural Board, its successors or assigns. Plans shall be prepared by a person or firm regularly engaged in such work. Not more than one single family residence shall be erected on any lot and it shall contain a minimum of twelve hundred (1200) square feet of livable space if it is a one-floor dwelling, or sixteen hundred (1600)

square feet of livable floor space if it is a two-floor dwelling, exclusive of decks, attics, porches, garages, carports or unfinished basements. Exterior construction must be completed and closed in within nine (9) months of commencement of construction. Walkout basements finished will be considered two-story provided only a minimum grade fill of two (2) feet can be counted finished space. Anything filled over two (2) feet above basement slab cannot be counted finished space.

(7) No lot may be re-subdivided.

(8) No building shall be erected closer than thirty (30) feet to any street or road, nor closer than ten (10) feet to any side or rear lot line, except that if two or more adjacent lots are used together for the construction of one dwelling, then the said ten (10) feet setback shall be measured from only the outermost lines of the combined lots.

(9) The Waterfront will install a private boat ramp and docks in the said Common Area for the use of lotowners in The Waterfront, such boat ramp and dock to be maintained by such lotowners. Upon expiration of these restrictions, title to the said Common Area shall revert to the owner-developer.

(10) All lots in the subdivision shall be used for residential purposes only. No building shall be erected on any lot prior to the erection of the dwelling thereon. Any garage or other building erected on any lot shall conform generally in appearance and materials to the dwelling on such lot. All boat docks shall be built according to U. S. Army Corps of Engineers specifications. Plans for the construction of boat houses shall be reviewed and approved by The Waterfront Architectural Board as in the case of dwellings. No outbuildings will be permitted.

(11) No signs, billboards, or advertising of any nature shall be erected, placed or maintained on any residential lots herein designated, nor upon any building erected thereon, except directional and informational signs erected by the owner-developer, its heirs or assigns.

(12) All dwellings and buildings shall be brick, wood, or natural stone to grade, unless siding is installed within eight (8) inches of grade, in which case stucco may be used between the siding and grade provided such area is rendered invisible from adjacent streets and lots by landscaping or other appropriate methods of concealment. No concrete, block, etc., higher than eight (8) inches from grade will be accepted, regardless of visibility.

(13) Each lot owner shall be required to make connection with the central water system provided by the owner-developer within ten (10) days of the commencement of construction of the dwelling on his lot and to pay a hookup fee of THREE HUNDRED SEVENTY FIVE DOLLARS (\$375.00) prior to such connection. This fee includes one (1) water meter and system line to the owner's property line. The owner shall pay Bremble Properties, Inc., for water service per gallon used, with a minimum charge of \$8.00 per month. Billing for water service will be on a monthly or quarterly basis.

(14) No fence shall be constructed along any property line so as to be visible from the street or lake unless it is part of the architectural design of the residence.

(15) Each lot owner who builds a dwelling upon his lot shall provide off street parking for four (4) or more vehicles in a driveway or other appropriate area.

(16) All fuel storage tanks, trash and garbage receptacles shall be buried in the ground or placed so as not to be visible as such from any viewpoint.

(17) No horses, cows, goats, pigs, fowl or pigeons shall be kept upon the premises of any lot or building thereon, nor shall there be kept upon such premises any other animal or pet which causes obnoxious odors, or is dangerous to the health or welfare of other residents in The Waterfront, and no nuisance shall be maintained or permitted on such premises.

(18) In the event of a violation or clearly threatened violation of any of the provisions hereof, it shall be lawful for any other person or persons owning any real estate situated in the said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or threatening to violate any such covenant, either to prevent or enjoin such violation or to recover damages or other dues for such violation.

(19) Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

(20) The owner of any lot shown hereof shall provide for any dwelling constructed on such lot a septic disposal system constructed in accordance with the specifications of state and county public health officials. Location of all septic tanks shall be selected by the Franklin County Health Department.

(21) Camping shall be prohibited on all lots at all times.

(22) The owner of each lot shown hereon shall be responsible for the neat and orderly maintenance of such lot, shall provide for sanitary garbage disposal and shall not permit or suffer any garbage, sewage, refuse, waste, or other contaminated matter (except normal surface water) to be cast, drained or discharged from such lot into the waters of Smith Mountain Lake.

(23) In addition to the utility and drainage easements indicated hereon, all lot lines are subject to a 15 feet drainage and utility easement, the said lot lines being the center of such easements.

Open drainage easements shown hereon shall not be obstructed and may be altered or changed only in accordance with plans prepared by a professional engineer, architect or land surveyor and approved by the residence engineer, Virginia Department of Highways.

(24) Each lot owner shall be responsible for keeping all boats belonging to him or his guests parked and/or docked in a neat and orderly fashion.

(25) The lot owners may form their own Home Owners' Association to protect the Common Area and to preserve the highest value of their respective properties.

(26) Nothing herein is to be construed to prevent the owner-developer, its heirs, or assigns from placing further restrictions or easements on any lot in the said subdivision which shall not theretofore have been conveyed from it.

IN TESTIMONY WHEREOF, witness the signature of Bremble Properties Inc., signed by its President, with its corporate seal duly affixed and attested by its Secretary, this 18th day of March, 1977.

EXTENSION OF SUBDIVISION RESTRICTIONS OF THE WATERFRONT
(SECTION I)

THIS EXTENSION OF THE SUBDIVISION RESTRICTIONS OF THE WATERFRONT SUBDIVISION (also known as The Waterfront Section I), made and entered into this 15th day of January, 2002 by and between WILLARD CONSTRUCTION OF ROANOKE VALLEY, INC., SUCCESSOR BY MERGER OF BREMBLE PROPERTY, INC., a Virginia Corporation, the developer of The Waterfront and the declarant of the subdivision restrictions of The Waterfront and the undersigned being the current owners of lots in The Waterfront as shown by the plat of The Waterfront recorded in the Clerk's Office of the Circuit Court of Franklin County, Virginia in Plat Book 6, pages 159 and 160 and also in Deed Book 351, pages 397 and 398.

:W I T N E S S E T H:

WHEREAS, by instrument recorded in the Clerk's Office of the Circuit Court of Franklin County, Virginia on March 18, 1977, in Deed Book 325, page 272, Bremble Properties, Inc., the developer of The Waterfront, (also known as The Waterfront Section I) and the declarant of the subdivision restrictions of The Waterfront imposed certain restrictive covenants upon the lots of The Waterfront as shown by the aforesaid plat of The Waterfront; and

WHEREAS, according to the terms of the subdivision restrictions of The Waterfront recorded at Deed Book 325, page 272 the said covenants and restrictions will expire on March 18, 2002; and

WHEREAS, the parties to this instrument, being the successor by merger of the developer of The Waterfront and the declarant of the subdivision restrictions of The Waterfront, and the
